Home Energy Worksheet

Parent/guardians: please work with your child to complete this worksheet. You can submit it by returning this form to your teacher, filling it out online at **thinkenergy.org/EfficiencyWorks** or scan the QR code. Online submissions require teacher ID. Record your confirmation code here and return this form to your teacher.

Confirmation code

If you do not know the answer to a question, leave it blank.

Installation information

	Installed	Will install later	Will never install
Showerhead			
Kitchen faucet aerator			
9 W LED bulb			
9 W LED bulb			
9 W LED bulb			
9 W LED bulb			
Night light			

Home energy use questions

1. What is the main source of heat in your home?

   Natural gas | Electricity | Other fuel or unknown

2. How much will you turn down your thermostat in winter to save energy for heating?

   1 - 2 degrees | 3 - 4 degrees | 5+ degrees | Will not adjust thermostat

3. How much will you turn up your thermostat in summer to save energy for cooling?

   1 - 2 degrees | 3 - 4 degrees | 5+ degrees | Will not adjust thermostat

4. How many light bulbs are in your home today?

   1 - 10 | 11 - 20 | 21 - 30 | 31+

5. How many LEDs were you using before this program?

   None | 1 - 10 | 11 - 20 | 21+

6. What was the flow rate of your old showerhead? (Use the flow bag in your kit to measure.) Your new showerhead has a flow rate of 1.5 gpm.

- [ ] 0 - 1.0 gpm
- [ ] 1.1 - 1.5 gpm
- [ ] 1.6 - 2.0 gpm
- [ ] 2.1 - 2.5 gpm
- [ ] 2.6 - 3.0 gpm
- [ ] 3.1+ gpm
- [ ] Did not test

7. How is your water heated? (Hint: Look for a power cord for an electric heater or a gas line for a natural gas water heater.)

- [ ] Natural gas
- [ ] Electricity
- [ ] Other fuel or unknown

8. Did you change the setting of your water heater?

- [ ] Yes, I lowered it for energy efficiency
- [ ] Yes, I plan to lower it for energy efficiency
- [ ] Yes, I raised it
- [ ] Yes, I plan to raise it
- [ ] No

Program questions

These questions help us improve the Think! Energy with Efficiency Works program for future classes. We read all of the responses and appreciate your feedback.

9. Has participation in this program changed the way you use energy in your home?

- [ ] Yes
- [ ] No

10. Were the products in the kit easy for you and your child to install and use?

- [ ] Yes
- [ ] No

11. Will you continue to use the kit items after the completion of the program?

- [ ] Yes
- [ ] No

12. Would you like to see this program continued in local schools?

- [ ] Yes
- [ ] No

Do you have comments about this program you would like to share with Efficiency Works? (favorite aspect, how to improve the program, etc.)
