

rEV CHALLENGE

ARE YOU IN?

You have learned about electric vehicles (EVs), now it is time to take the rEV Challenge!

1

Create a 30 to 45 second video that reveals the future of EVs to your friends. Get out your camera (even if it is your phone) to record a compelling message about the benefits of EVs.

2

Review the rEV Challenge official rules.

3

Complete the digital entry form (including an electronic signature from your parent/guardian) and upload your video file. bit.ly/rEVChallengeEntry

Now you know, time to go rEVed.org/PNM

Enter by April 30, 2026 for your
chance at the grand prize, an
electric bike!

You can win one for your teacher too!
