

Rewarding Results

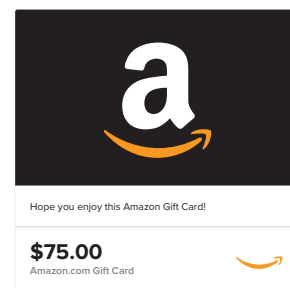

Reward Your Students

- Each student who completes the *Home Energy Worksheet* (HEW) on paper or online at thinkenergy.org/TakeChargeWV will be entered to win a \$30 Amazon eGift Card. There will be one winner per school.
- Giving a completion grade or extra credit may encourage students to complete the HEWs.

Reward Yourself

- Earn an educational award of \$75 by submitting 70% or more of the HEWs by the date found in your emails.*
- Return paper forms in the provided postage paid envelope.
- Please complete the program evaluation online.
- Funds may support classroom activities.

*Offer available for teachers participating in Appalachian Power's TakeCharge Innovation Program. Teachers must submit 70% or more of completed *Home Energy Worksheets* (HEWs) by the date found in your emails to earn the \$75 eGift Card award. Teachers who return 50 to 69% of the HEWs will earn a \$50 eGift Card award.
